Benefits & Levels of Sponsorship

Did you know that research suggests that 84% of people say they prefer to support businesses that support a charitable cause?

The Dungannon Tractor Pullers in conjunction with the Lucknow & District Kinsmen provide financial contributions that empower local schools, hospitals and other local organizations with programs and services to help our surrounding communities.

By partnering with Dungannon Super Pull you'll:

- Publicity and promotion in local media outlets
- Recognition and valuable exposure to event attendees, volunteers and the tractor pull community.
- Increased awareness and enhanced community networks
- Positive credibility by affiliating your company image with a cause that supports your local community.
- Opportunity to educate sizeable audiences about your company product/service.
- Low cost/high impact marketing and exposure.

YES, I'd like to Sponsor the Dungannon Super Pull and Demo Derby:

Make Cheques Payable to: [Lucknow Kinsmen](#)

Dungannon Super Pull and Demo Derby 2024

This is the 23rd Anniversary of the Dungannon Super Pull and it will be returning to Graceland this June. The Dungannon Pull Committee will still be running the Super Pull alongside the Lucknow Kinsmen with the event being spread over 60 acres. The twin tracks have had the winter to settle, and 40 additional loads of soil were added last fall. We will continue to run the only twin tracks in Ontario and will continue presenting a great show with tons of horsepower!

The Dungannon Super Pull and Demo Derby kicks off the weekend with a Demolition Derby held on Friday, June 16 at 7pm followed by Practically Hip playing in the Beer Gardens. The Derby will have 3 classes of cars crashing with a Combine Smash-up at the end. Saturday, June 17 starts with the Stoneboat Pullers at 9am. They will be competing using Modified and Diesel Lawn mowers. The main event for the weekend, the Super Pull, will start at 4pm featuring various classes of tractors and trucks. 21 Gun Salute will be entertaining in the beer tent following the Super Pull.

This year with the continuation of the demo derby on the Friday night there is an expectation for more demand in camping. Graceland can easily facilitate 500 sites of rough camping. The Derby will continue making the Dungannon Super Pull a destination event as opposed to being primarily a single day ticket. Day programming will start in the morning at 10am to let young families enjoy the day. Face painting and the bouncy castle will continue with the other games and displays such as a chainsaw carver, cornhole tournament and Zorb soccer. Shuttle wagons will also be scheduled for a loop through Lucknow that will reduce the campers need to be driving downtown.

The Dungannon Pull Committee is a non-profit organization that has supported many local groups over the past two decades. Bursaries will continue with the four local high schools. We look forward to continuing our support to groups around the area.

This year's lineup will consist of The Ontario Truck and Tractor Pullers Association and the Southwestern Ontario Tractor Pullers Association.

The Super Pull Committee and Lucknow Kinsmen have been working for several months organizing the Father's Day Weekend event. Larger capacity bleachers will be in place for both the Friday and Saturday shows. Additional volunteers will be added to process the crowd during peak times of entry to reduce lineups. Offsite parking and people movers are being secured to allow both flexibility and easier access to ensure the event remains successful for years to come.

We hope to receive your support to put on another fantastic show in 2024, and if you have any questions or comments, do not hesitate to contact me at 519-524-0019.

Thanks,
Steve Adams
President
